DEPARTMENT OF THE INTERIOR,

Subject: Census of The UNITED STATES INDIAN SERVICE
Eastern Cherokees

Cherokee Indian School,
Cherokee, N.C., July 21, 1909.

The Honorable Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Referring to circular No. 309, dated June 28, 1909, I have the honor to submit herewith a census of the Indians under the jurisdiction of this agency. Many of the Indians who are enrolled at this agency live at a considerable distance from Cherokee, seldom visiting here or having anything to do with the Indians living in this vicinity. For this reason it is extremely difficult to secure accurate information as to marriages, births and deaths.

It has not been practicable to show a separate grouping of the Indians by districts.

None of the Indians of this reservation have secured regular allotments, but most of them live on and cultivate tracts of land taken up by them many years ago, or else assigned to them by the Indian Council.

Very respectfully,

Frank Kysalka

Superintendent.
